

## **INFORMATION DATA SHEET**

*Date of Issue 22/11/2022*

### **1. Product and company identification**

**Product name** *Eyelineer*

**Product code:** *K2-6-103-1*

**Product identification:** *Eyelineer*

**Manufacturer company:**

**Andress:**

**Telephone number:**

**Fax number:**

**Emergency Number:** *Refer to your local poison center*

### **2. Composition/information on ingredients**

***Ingredient list:*** *written, printed, or affixed to any consumer commodity (finished product)*

### **3. Hazards identification**

***The product is not hazardous or toxic under normal and reasonable foreseen use conditions.***

***skin :*** *Not expected to be irritant*

***eyes:*** *Not expected to be irritant*

## **INFORMATION DATA SHEET**

*Date of Issue* **22/11/2022**

### **4. First aid measures**

***Irritation not expected, if occurs:***

*Eyes:* wash the eyes with water

*skin:* wash with soap and water

*Ingestion:* consult a physician

### **5. Firefighting measures**

***Explosion hazard of finished product:*** Not applicable

***Suitable extinguish media:*** Extinguishing powder, CO<sub>2</sub>, sand, foam

### **6. Accidental release measures**

***Personal precautions:*** Can be washed off from skin and hair with soap and water

***Environmental precautions:*** Collect the product avoiding its dispersion in the environment

## **INFORMATION DATA SHEET**

*Date of Issue* **22/11/2022**

### **7. Handling and storage**

**Handling:** *Use the product according to its function*

**Storage:** *Store in a cool dry place, away from heat and flame. Store away from the reach of children*

### **8. Exposure controls / personal protection**

**Exposure controls:** *Not applicable*

**Personal protection:** *Not required when used as intended*

### **9. Physical and chemical properties**

**Appearance:** *Finished cosmetic product*

**Color:** *Black*

**Odor:** *characteristic*

**Flash point:** */*

**Solubility:** */*

## **INFORMATION DATA SHEET**

*Date of Issue 22/11/2022*

### **10. Stability and reactivity**

<b>stability:</b>	<i>stable at least for 30 months under appropriate storage conditions</i>
<b>conditions to avoid</b>	<i>excessive heat exposure and humidity</i>
<b>decomposition products:</b>	<i>thermal decomposition may produce CO, CO<sub>2</sub>, and NO<sub>x</sub></i>

### **11. Toxicological information**

**skin** : Not expected to be irritant  
**eyes**: Not expected to be irritant

### **12. Ecological information**

Not expected to cause adverse environmental effects if the disposal guidelines of section 13 are followed

### **13. Disposal guidelines**

The product may be added to the household waste in small quantities. Large quantities are to be disposed according to local, state, federal, and international regulations

## **INFORMATION DATA SHEET**

*Date of Issue* **22/11/2022**

### **14. *Transport information***

The product is not considered dangerous goods with respect to transport regulations

### **15. *Regulatory information***

The product is in compliance with the requirements of the European Cosmetic Regulation (EC) N°1223/2009

### **16. *Other relevant information***

*The provided information is based on data considered to be accurate at the best of our knowledge. However, no warranty can be given in the accuracy or completeness of the foregoing data and on information contained in this document, they do not constitute sales specifications*
