Safety Data Sheet

Date of Issue: 01/01/2024

9.6	Moisture Content:	100%
9.7	Specific Gravity:	0.996
9.8	Solids Content:	Not determined
10. <u>Stability and Reactivity</u>		
10.1	Conditions To Avoid:	None known
10.2	Substances To Avoid:	None in particular
10.3	Hazardous Decomposition Products:	None
11. <u>Toxicology Information</u>		
11.1	Toxicity:	This material is a cosmetic preparation and is not considered to be a toxic substance.
12. <u>Ecological Information</u>		
12.1	Degradability:	Unknown
13. <u>Disposal Considerations</u>		
13.1	Product Disposal:	This product should be disposed of in accordance with local regulations and should not be directly entered into sewerage systems, nor should it be disposed of into the local environment.
13.2	Container Disposal:	The container should be disposed of in accordance with local regulations. If the container is to be recycled, the received must be informed about possible hazards.
14. <u>Transportation Information</u>		
Classified as not hazardous for transport.		
15. <u>Regulatory Information</u>		
This material is not considered as dangerous.		
16. <u>Other Information</u>		
16.1	Product Use Fields:	Cosmetic preparation
16.2	General Declaration	The information contained in this Material Safety Data Sheet is based upon the prevailing knowledge and information available at the date of publication. This Materials Safety Data Sheet specifically applies to this product only and replaces all previous Material Safety Data Sheets pertaining to this product, previously published.
