| <b>Protective Gloves:</b>      | Use protective gloves   |
| <b>Protective Clothing:</b>    | If skin contact or contamination of clothing is likely, protective clothing should be worn. |
| <b>Protective Equipment:</b>   | None  |

## SECTION 9 — PHYSICAL AND CHEMICAL PROPERTIES

|                     |                      |
|---------------------|----------------------|
| <b>Appearance:</b>  | Off white lotion     |
| <b>Odour:</b>       | Characteristic scent |
| <b>Solubility:</b>  | Soluble in water     |
| <b>Flash Point:</b> | Above 200° C         |
| <b>pH:</b>          | 5.8 - 6.8 @ 20° C    |

## SECTION 10 — STABILITY AND REACTIVITY

|                                  |  |
|----------------------------------|--|
| <b>Stability:</b>                | Chemically stable non-hazardous material |
| <b>Materials to Avoid:</b>       | No known hazard                          |
| <b>Flammability:</b>             | Not applicable                           |
| <b>Hazardous Polymerization:</b> | Will not occur                           |
| <b>Hazardous Combustion:</b>     | Avoid sparks and other heat sources      |

## SECTION 11 – TOXICOLOGICAL INFORMATION

**Acute toxicity:** Not Classified (No data available)  
**Skin corrosion/irritation:** Not Classified (No data available)  
**Serious eye damage/irritation:** Possible irritation should be prevented by wearing glasses  
**Respiratory or skin sensation:** Not Classified (No data available)  
**Germ cell mutagenicity:** Not Classified (No data available)  
**Carcinogenicity:** Not Classified (No data available)  
**Reproductive toxicity:** Not Classified (No data available)  
**Specific organ toxicity:** Not Classified (No data available)  
**Aspiration hazard:** Not Classified (No data available)  
**Potential adverse human health effects and symptoms:** The toxicological properties and its effects pertaining to human health have not been thoroughly characterised. None of the components are present at the concentration considered to be associated with a hazard.

## SECTION 12 – ECOLOGICAL INFORMATION

The ecological effects of this product have not been evaluated

## SECTION 13 – DISPOSAL CONSIDERATION

Dispose of product in accordance with local state or provincial and federal regulations. Check with disposal expert to insure compliance.

## SECTION 14 – TRANSPORT INFORMATION

**Road (US DOT):** Not regulated  
**Air (IATA):** Not regulated  
**Sea (IMDG):** Not regulated

## SECTION 15 – REGULATORY INFORMATION

Regulated as a cosmetic under FDA (US), HPB (Canada), Cosmetic Directive (EU), MHW (Japan) and MOH (China). While the finished product is not considered hazardous as defined in 29 CFR 1910.1200, this MSDS contains valuable information crucial to the safe handling and proper use of the product.

## SECTION 16 – OTHER INFORMATION

**Revision Date:** May 19, 2018

## SECTION 17 – DISCLAIMER

*This document is generated for the purpose of distributing health, safety, and environmental data. It is not a specification sheet nor should any displayed data be construed as a specification. The information on this MSDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, expressed or implied, regarding its correctness. Some information presented and conclusions drawn herein are from sources other than direct test data on the substance itself. The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage, or expense arising out of or in any way connected with handling, storage, use or disposal of this product. If the product is used as a component in another product, this MSDS information may not be applicable.*
