Section 5 - Fire Fighting Measures

Flash Point: None

LEL: N/A

UEL: N/A

Flammabel Limits: N/A

Extinguishing Media: N/A

Unusual Fire/ Expl Hazards: N/A

N/A

Fire Fighting: N/A

Fire Equipment: N/A

Section 6 - Accidental Release Measures

Non Hazardous - Care should be taken to clean up all spills.

Section 7 - Handling and Storage

Non Hazardous - Use normal non hazardous handling and storage procedures

Section 8 - Exposure Controls / Personal Protection

Exposure and Personal Protection: Non Hazardous. Use as directed.

Section 9 - Physical and Chemical Properties

This mixture typically exhibits the following properties under normal conditions

Appearance	Brown Lotion
Odor	Characteristic Odor
Physical State	Lotion
Vapor Density	N/A
Evaporation Rate	N/A
Boiling Range	177 to 354 C
Specific Gravity (SG)	1.017
Lbs VOC/Gallon Less Water	0.00

Section 10 - Stability and Reactivity

Product is stable. Use as directed.

Component of this mixture are non hazardous and non reactive to other materials.

Non Hazardous

Section 11 - Toxicology Information

Toxicology Information: No data found

Section 12 - Ecology Information

Ecology Information: No data found

Section 13 - Disposal Considerations

As the US, EPA, state, regional, and other regulatory agencies may have jurisdiction over the disposal of your facility's hazardous waste, it is incumbent upon you, the hazardous waste generator to learn and satisfy the requirements that affect you.

Section 14 - Transport Information

This material is classified as non hazardous for transport.

Section 15 - Regulatory Information

This product is Non hazardous, non regulated

Section 16 - Other Information

NON WARRANTY - The information presented in this publication is based upon the research and experience of the issuing party.
