2. INFORMATION ON PRODUCT COMPOSITION

- Product category: Hair styling products except aerosols – Flash point under 23°C
- Danger: Highly flammable

Ingredients participating to the danger connected to the transport and/or the storage can be notably:

- Possible ingredients:
  - ALCOHOL (CAS # 64-17-5)

The qualitative composition is listed under the heading INGREDIENTS associated with the product.

3. PHYSICO-CHEMICAL CHARACTERISTICS

**PHYSICAL AND CHEMICAL PROPERTIES**

- Appearance: Liquid or gel or paste
- Flammability – Flash point: < 23°C
- Solubility: Hydrosolubility: Miscible Liposolubility: Undetermined

**STABILITY AND REACTIVITY**

Stable in normal conditions of storage

- Conditions to be avoided: Source of ignition
- Materials to avoid: /
- Dangerous decomposition products: Carbon and nitrogen oxides

4. PRECAUTIONS DURING STORAGE AND HANDLING

Store in ventilated premises.

5. ACTION TO BE TAKEN IN THE EVENT OF EXPOSURE TO THE RISKS

**Modes of exposure:**
- **Skin:** Rinse abundantly with water. Remove the soiled clothes.
- **Eyes:** Wash immediately and abundantly with water during 10 minutes, eyes wide open. Consult a doctor in the event of persistent irritation.
